ARW GROUP

WATERPROOFING | TANKING | REMEDIAL

CAPABILITY STATEMENT

WHO WE ARE

ARW Group are a Sydney based Waterproofing and Remediation Company specialising in Civil Waterproofing, Below Grade Tanking, Roof Restorations, Remediation Services, Protective Coatings and Polyurethane & Epoxy Injection.

Our Director, Senior Project Managers and Supervisors are fully qualified Builders, Carpenters and Waterproofers with over 60 + years of combined experience in the industry who have a hands on approach to all projects. Our highly skilled, professional and dedicated technicians pride themselves on the quality of their workmanship.

ARW Group are certified and qualified appliactors of Tremco, Sika, Ardex, Soprema, Fatra & Cetco and have completed the necessary training and requirements to obtain accreditation.

ARW is ISO accredited company following and implementing all the necessary Health and Saftey, Quality & Environmental management system's to all projects.

OUR GUARANTEE

It is our mission to deliver quality workmanship without any compromise. Our applicators must have a minimum of 5 years experience and are subjected to our Quality Assurance processes.

Our Project Managers implement Inspection and Test Plans (ITP) and ensure that each applicator signs off on our Work Method Statement (WMS) before beginning any work.

We engage our suppliers to inspect our work in order to obtain a back to back manufacturers and applicators warranty guaranteeing product performance and the application and installation of those products usually for a minimum of ten years.
